The New Jersey Aviation Association advocates responsible growth of aviation as a means for enhancing economic development and improving quality of life in New Jersey. Its mission includes:

- Promoting aviation and its airport system as key components of New Jersey's intermodal transportation system
- Increasing awareness of the positive economic contributions of NJ's aviation industry
- Influencing public policy to protect and promote aviation in NJ while balancing with the interests of local communities.

We invite you to join the Association and support its role as a responsible advocate for companies and individuals involved in aviation within our state.
